AMUSEMENT RIDE SAFETY PROGRAM

FIRE SAFETY INSPECTION APPROVAL FORM

This is to certify that on _____

I conducted an inspection of the Carnival/Feast/Fair site, including Special Amusement Structure(s)/Fun House(s), and/or, the Building Housing Park or Carnival Amusement Device(s), in accordance with the applicable Rhode Island Fire Safety Code,

On the premises of _____,

In the Town (City) of _____,

And determined that fire extinguishers, hydrants, suppression systems, exits, access and egress routes, as well as fabric ride components, as applicable, were in good condition in accordance with the Rhode Island Fire Safety Code at the time of my inspection.

Signed _____

Title _____

Note to the owner:

Please fill in the location of the set-up Premises, and hand this form to the Event's Sponsor, as soon as the contract to set up Amusement Devices at the given event is signed (if applicable). This is in order to remind the sponsor to notify the local Deputy State Fire Marshal of the upcoming event. The State requires the Fire Safety Inspection to be scheduled ahead of the State Inspection, around the same time as the Electrical Inspection by the Municipality. Ultimately, it shall be the Owner's responsibility to see to it that a timely fire safety inspection is conducted and that a Fire inspection Approval Form is signed by the local Deputy State Fire Marshal, following the satisfactory conclusion of his/her inspection. The State Inspector expects to receive the completed and signed Fire Safety Inspection Approval form from the owner representative at during the State set-up inspection.
